

Catastrophic Events Don't Always Have Disastrous Outcomes.

Vertus Insurance Partners is committed to providing retail agents with innovative products and service. **Cat4Home** is the solution for your clients' exposure to large catastrophic wind deductibles, reimbursing the homeowner up to 100% of losses within their named storm deductible.

Vertus' value to our Agency Partners:

- The only product of its kind in the market providing you with a complete solution for homeowner customers via Zurich NA
- Claims service & resolution affirmed with Hurricanes Irma, Michael, Isaias, Sally & Marco
- State-of-the-Art Technology Platform. Quote, Bind, Pay and Issue policies, all in under five minutes - all fully automated
- Dedicated Underwriters who can help with pricing, increasing your potential for success
- An opportunity for your Agency to be one of the few, select appointments per county to offer our unique product
- Resource-saving capabilities to quote your entire book of in-force business
- Customized sales aids and social media content to help with targets & prospecting
- Attractive compensation with standard commissions and possible volume-based incentives
